Kent brought the new officer's shirts. They look very nice! Polo shirts with checkered flag collars & cuffs with the CCCA logo & the officers name & position. The race directors will be in red shirts and the other officers will be in black. We talked about offering t-shirts to racers.

We talked about trophies. We will award a 1st & 2nd place at each race and a 1st, 2nd & 3rd place at the finale to individuals from each track & to the clubs (total from both tracks). i.e. [**Overall Team Points** - We will add team points from each track together, to declare one team champ]

We talked about how we will let the racers know about the new points systems. We are using the track's points systems this year.

We talked about having racer's meetings at the tracks. Certainly at the 1st race at each track everyone should come listen. We plan to explain the points, the rules, who is in charge, track etiquette, etc.

We discussed the sign-in books. Racer's will need to sign in at least once to get their number & pay the \$5 fee. (If you raced last year, that number is yours if you want it.) If you don't do that prior to the 1st round of elims, we will ask you to pull your car out of the staging lanes. The books will be at the tents which will have CCC banners on them this year.

Get ready - Bremerton, May 3rd.....let's go have some fun!!! 😊
