

## Car Club Challenge Meeting

Feb 12 2012

Present- Kent Magruder, Sue Magruder, Dave Carman, Steve Neel, Jason Cooper, Jan Christ, Steve and Dave Kranz

### Review- Action items

1. Possibility of a true 1/8<sup>th</sup> mile track at Monroe. Kent talked with Doug Hobbs, who is in talks with the county to building a true 1/8 mile track on the east side of the existing track at Evergreen Speedway. Hobbs emailed Kent, that they would be very interested in hosting some CCCA races if/when the new track is built.
2. Kent contacted Rod Powell of Ridgeway Motor Sport/Shelton to discuss possible CCCA race dates for the 2013 season. The Drag Strip is scheduled to be open mid-summer 2012, which will be too late to consider any CCCA dates since our season will already be underway. Rod invited the CCCA officers down to see the facility. A date and time will be discussed.
3. King County Council – to hear more testimony on Feb 21<sup>st</sup> 11:00 A.M. 10<sup>th</sup> floor, King Co. Court House on Pacific Raceways expansion. Pacific- JJ is no longer with the track. John Ramsey, The Kauffman's and Gidding's are taking over the day to day operation. They intend to keep the same customer service that was started by JJ. First Pacific test and tune race day March 18<sup>th</sup>.
4. The owner of Bremerton Motorsport Park submitted a plan for the new race facility (Phase 1) to the Port OF Bremerton Council. The plan did NOT include a Drag Strip! Bremerton Raceway has petitions available online for people to print off and get them filled out and returned to Barb and Gordie at Bremerton Raceway.

### New business-

Sponsors- Kent contacted Randy's Ring and Pinion for sponsorship. No decision yet. Suggestions:

First CCCA race April 28<sup>th</sup> at Bremerton Raceway

Close meeting- 10:50 am
