

Mar 30, 2014

**ATTENDEES:** Those in attendance: Don Berry, Jan Christ, Curt Sampson, Dave Carmen, Steve Neel, Jeff Eason, and myself.

Jan Christ to take new pop up canopy with him to use at Pacific Raceways. Canopy was set up to get actual dimensions for signage to fit to the canopy.

Don took measurements of signage that Curt Sampson brought with him to determine sizing requirements for new signs needed for the associate sponsors to have for both tracks.

Rick Sanders was to be called to get his business logo (Stan's Radiator) for associate sponsor signs to be made up.

Discussion about an email mailing list to better notify those that race in CCCA. It was suggested to create a revised registration sheet to include an email for each racer to create an email list for notification.

Any further meetings for 2014 will be held at the track if warranted by the CCCA officers
