

Feb 15th

Attendees: Steve Neel, Don Berry, Jason Cooper, Scott Cedergreen, Sue Magruder, Kent Magruder and Shannon Lerner

Don opened the meeting at 10:00 A.M.

Old Business:

The discussion of Trophies vs Plaques. It was decided to go with Checkered Flag plaques for the season races. Larger plaque for 1st place and smaller for 2nd place. Season ending awards will still be trophies. The cost of plaques were substantially lower than trophies. It was decided going to lower cost plaques was better than raising CCCA dues to \$20.

More discussion on Most Improved and/or Rookie of the year awards. No decision, more discussion is needed to determine if this is viable.

Treas Report: Kent announced the CCCA finances and stated the cost for trophies for 2014 season. \$824 for 1st & 2nd place trophies for 12 races and approx \$600 for season ending trophies.

New Business:

Don discussed making a recruiting pack that included some of our budget cost.

Don asked for ideas for new sponsors.

It was discussed that we could try to recruit new racers by several of us entering our cars into the Cruise to Colby car show. All present said they would bring one or more cars.

Jason Cooper said that one of his two spaces at the May 16-17 Monroe Swap Meet could be used for a CCCA registering booth.

Action Items:

Don will post on Facebook asking if anyone knows of Car Shows in the south end.

Don asked Kent to send him CCCA Flier Publisher files from prior season.

Scott asked how many racers raced last year. Kent will get that info for the March mtg.

Don will ask Bremerton to not post CCCA points, just post a link to our Points page. The reason for this is that Bremerton does not calculate the points the same as we do.

Publish a budget for the next meeting – Kent

Ask Web master about the use of Google Docs or something similar or if he can commit to getting points up sooner. – Kent

Meeting closed at 11:30 A.M.
