## Car Club Challenge Assn. Meeting Minutes

Meeting opened at 10:00 A.M.

### Old Business:

Flyers were done and Don asked Jan to post a PDF on the CCCA Facebook page so people could print their own copies to hand out.

Jan said we will maintain the existing rules concerning rain outs.

Don will once again follow up with Kevin Ames to get our CCCA logo. Jan will then take that to the embroidery company to get that on the shirts for race directors

Don will take inventory of all banners for both race directors and get the banner to the race directors.
